OK so normal I don't do interviews for the weekly sorcery but this is way out of my comfort zone. I (Y/N) (l/N) work for the weekly sorcery magazine as a interviewer and photographer. Now I have to to interview the dragon slayers of the fairy tail guild. So it was supous to be get a few questions then leave but everyone was fighting. 'How was this the strong inst guild in the country if their fighting' you asked no one in particular.

'they do this all the time!' a guys voice replied.

you wiped around to face the guy. Their stood the iron dragon slayer of fairy tail. 'Hi im (y/n) I work for weekly sorcery can I ask you a few questions?If your not busy with anything?' you asked sweetly.

'Gajeel no thanks midget.' he replied.

'that rude i'm just doing my job.' you countered. he looked you up and down as if you had two heads. (hahaha magic).

'Hey arnt you the reporter who did gramps yesterday?' a new voice called out. you look up to see Lexus on the second story floor. The lightning dragon slayer of Fairy tail, not very intimating to you. You had six brothers so you could stand up for your self (sorry to anyone who doesn't like this).

'yes I am.' you replied.

'Why are you back?' he asked. SMASH! 'quit destroying things flame head' (gray) 'you first ice princes' (natsu) (inadubale due to fighting)

'shut is you too or the building will be destroyed' everyone yelled.

3. Chapter 3

I don't own fairy Tail so don't sue me please! (/~^~)/

The guild doors went flying half way into the guild. Everyone went into a defiance stance till the dust cleared. When it did it reveled Ezra scarlet the powerfulst woman mange in fairy tail. so everyone else calmed down.

'so Gajeel do you want to join or in?' you asked. Ezra started yelling at natsu and gray in the background.

'no team something tells me I haven't found the golden team yet.' he replied. watching you closely while he said it. he then began to laugh at the fighting then friends that Gray and Natsu did. you turned to watch what he was looking at. You had to admit it was funny at the moment.

'ALL OF BE QUIT! WE ALREADY HAVE ENOUGH DAMAGE TO THE BUILDING!' a big man yelled at everyone. you just giggled thinking of your brothers and dad.

(Ezra: flashback! me:yes ma'am)

_'_hey _sis lets go' your twin yelled. you looked up at him and smiled, well minus a tooth for a fight. You got into a fight with another guy that talked trash about your 3 year old brother._

'OK.' you replied and you followed him home.

'what did they say this time?' your oldest brother asked.

'they where talking trash about (Y/B/N). So I let them talk to my hand.' you said smoothly. He smiled you and shook his head. You and your family have been tight since your mom died from sickness.

(present from Gajeels singing)

'we need to fix these holes so everyone knows their jobs?' he asked.

'yes.' everyone cheered. then began to get supplies for the repairs.

'Gajeel you want me to come back later? Hey you want a hand with that?' you asked.

'no you can stay, no im fine see if flamebrain needs a hand midget.' he countered. you began to look for Natsu. Who some how disipeared in the middle of this.

'oww' you ran into someone. 'sorry about that.' you said. a hand offered you a hand up to your hand. You looked up reveiling a shirtless guy.

'Its my falt i wasn't looking where I was going.' he said. He was kind of cute you thought to yourself.

'Hi im Gray.' he said while helping you get up.

'(y/n).' you replied.

'The (element) dragon slayer? you joining the guild, cause Gajeel seems to like you?' he asked.

'yes and he doesn't like me.' you replied.

'Look I know one thing about him, unless he likes you he won't talk to you.' he explaind. you looked at the floor in shyness.

'Your pants fell down!' you told him. your face went pink while looking away.

'when did this happen?' he said. then Nastu ran up to you guys.

'reporter lady!' he said.

'She has a name you know flame brain.' gray said. "Another fight?" you thought to yourself.

'So your not going to join Fairy Tail? why not?' he asked.

'Well I have six brothers and already have a job.' you replied. he made a cute little pouting face, you thought.

'Why don't you all join?' he asked.

'Because the last time one of us where in a guild it didn't end well.' you answered sadly.

(flashback) /(-^-)\ ~ gasp

'hey (Y/N) aren't those people from moms guild?' your brother asked.

'Yes I think so. Maybe their asking dad to go heal the people.' you answered. We where proud that our dad is a medic. the people left our house, was dad crying?' you thought. as you ran to him

'Hey kids.' he said as he huged you and your twin.

'what happened to mom?' you both asked.

'Well..' he began.

5. Chapter 5

I don't own fairy Tail so don't sue me please! (/~^~)/ Please read other fanfics by me please! feel free to comment or follow!

(Flashback mode)

'You see your mom is going to be gone longer.' He said. You looked at him questionably, he smiled in replied.

'(Y/D/N) we need you now.' a person yelled.

'Be back soon kids.' he yelled to you and your brothers. you looked at your other brother questionably.

'mom got into a bad fight.' your oldest brother said. 'something about not being able to walk again if lucky.'

(end of flash back)

'ok.' they both said.

'Hey you want to help me repair the wall?' Gray asked.

'once you put your clothes back on.' you replied. some how he lost all his clothes except his underwear. "well his is cute , also Natsu" you thought again. You looked around again to see who was around. around noon you help finishing the repairs. Well that was interesting, you noticed no one was around. so you went back inside the guild.

'WELCOME TO FAIRY TAIL!' everyone cheered. jumping up and down in excitement.

'ARE YOU TRYING TO GIVE ME A HEART ATTACK?' you yelled. they laughed, which they pushed you to mare-Jane.

'hey Gray and Natsu told me about the thing. Please join.' she said sweetly.

'I already have a job though.' you replied.

'It's ok we ask the our publishers if its ok if you follow us. They said it would be great for new story's.' she said. "Why is should so good at arguing?" you thought.

'well I guess I could follow you guys on a couple missions.' you said.

'Good you can with me.' a voice said.

6. Chapter 6

DISCLAIMER:

I don't own fairy Tail so don't sue me please! (/~^~)/

You turned around to Gajeel with a mission flyer. He grinned at you reveling his pointy teeth. Which some how was kind of cute. 'We have to go meet up with team shadow gear.' he said. Taking your hand, then Marie-Jane handed you a bad of clothes and food. So the two of you went out to go on the mission.

'So what mission is it?' you asked. He looked down at you and gave you a smile.

'Its about a illigle drug market in my home town.' he replied.

'Oh!' was your only reply. You followed him out of the city in a south direction. You guy traveled till you got to a big river, then paused for a break.

'So tell me about the mission.' you said. he looked at you with a strange look.

'Why?' he asked.

'Your dragging me on a mission don't you get any more info than place?' you asked.

'when we get their.' he answered. 'You don't want people to know where on to them.' You laughed at him, he gave you a strange look.

'My brother told me that once before we had to go to school.' you explained. 'I used to get into fights with people who had talked bad about my family.'

'Hey then you would fit in fine with fairy tail.' he began. 'I didn't want to join fairy tail at first ether.'

'Why not?' you asked.

'Thought I could do better on my own. I was part of a different guild before. So finally in the end I joined and had a family at a new guild.' he said.

'Do have a mom figure in your guild?' You asked as you walked.

'Not really just Gramps, he's the guild master.' he answered. He made a sad sound, he looked at you.

'Hey took you two long enough!' a girl shouted. It was a girl with blue hair with two boy's at her sides. 'I'm Levy this is Jet and Droy.' she stated.

'(Y/N) this is Gajeel.' you replied. All of you laughed at your answer.

(DRAMA AHEAD/ TIME SKIP)

So you learned that Levy had a crush on Gajeel, you had too agree. So when you got to the town it was kind of run down.

'well, well, lokk who is back.' a voice called. You both turned

around to see a sandblond boy about 6 feet with slightly tattered clothes.

'Jack good to see you.' Gajeel said.

'Gajeel wheres your manners who's the girl?' he asked.

'This is (Y/N)' he replied.

'She's your girlfreind?' he replied. You blushed like crazy, while gajeel got a light pink dusting.
